

Volunteer & Offsite Opportunities

Pictured above is the view captured by a STREAM staff member during our Offsite Trip to Wachusett Mountain this month.

July proved to be a gorgeous summer month, allowing STREAM to partake in multiple outdoor Volunteer & Offsite activities. The Farmers Market began on July 14, 2014 which gave STREAM individuals the chance to sell some of the crafts they have made as well as the vegetables that they helped plant, maintain and pick right here at GAAMHA in our very own STREAM garden. Everyone seems to truly enjoy tending to their garden and harvesting the plants as soon as they are ready. In addition to gardening, July marked the beginning of yet another fun outdoor volunteer opportunity. STREAM has teamed up with Forward Strides Therapeutic Horsemanship in Templeton, a non-profit organization whose mission statement is "To enhance the lives of participants by sharing the positive impact that horses can bring to their lives". Individuals that have attended learned about horses, how to care for them and spent some quality time getting to know the horses!

Above - One of our STREAM members learns to lead a horse to pasture at the Forward Strides volunteer site.

"I loved everything about the trip to the Minuteman National Historical Park. The staff was wonderful there. I really enjoyed the picnic lunch and the show!"
-Cheryl C.

The photo to the right shows the duck pond located at The Old Mill Restaurant in Westminster.

Friday Lunch Club - The Old Mill

The Friday Lunch Club's pick for the month of July was The Old Mill Restaurant in Westminster. Every Friday, we have the option to go out to a local restaurant and a new one is selected each month, giving everyone a chance to go. When it was my

turn to go, it was such a nice day out that we decided to sit outside on the porch to eat. We were only a few feet away from the pond where some ducks were paddling around. They served us pecan rolls and corn fritters to eat while our

food was being prepared. I had the Chicken Pot Pie and it was delicious. The waitress was very nice and everyone's food looked great. Overall, everyone had a really good time.
